

# FIRED UP and FOCUSED

INTERNATIONAL  
STUDENTS

**CENTRAL**  
MICHIGAN UNIVERSITY

/ We do.

# Dig in!

We're all about doing what we love, doing it best, and making a living doing it.

Our students, faculty and alumni are known for finding innovative solutions to problems and putting them into practice.

Right now, our students are working side by side with their professors to find new ways to prevent and treat neurological diseases such as Alzheimer's and Parkinson's, monitor the health of the Great Lakes, and better understand the connection between global warming and the rise in severe storms.

At the same time, they're sharing their passions and expanding their skills through our nearly 400 student organizations, competing as part of our 17 Division I sports teams, and volunteering across the country as one of the nation's leaders in Alternative Breaks participation.

---

Our constant drive to better ourselves and make a difference in the world isn't just talk. It's built into who we are.

We were the first public university in the Midwest with a Makerbot Innovation Center 3D printing lab. We were also the first public university in the state to offer a leadership minor.

---

Through active learning experiences, internships and research opportunities, you'll begin to apply your knowledge as soon as you step onto campus. Because when we see an opportunity to make a difference, we don't wait for someone else to step up.

**We do.**

**1,000+** new students participate in Leadership Safari each year.

**\$26.3 million** for research and scholarly activity in 2021-22.

**2,400** student volunteer hours through Alternative Breaks, where students commit their semester breaks to community service projects.

# The CMU CHIPPEWAS

more than a name

We proudly carry the Chippewa name in partnership with the **Saginaw Chippewa Indian Tribe.**

The university and tribal nation have a strong, historic relationship and share a common goal of promoting inclusivity, respect and collaboration to improve and enhance the quality of life in the community.

In 2002, leaders from CMU and the Tribal Council together pledged their joint support in providing educational opportunities and advancing an appreciation of global indigenous people.

Our students, faculty, staff and alumni uphold a standard of respect and understanding of the traditions, cultures, heritage and wisdom of the Saginaw Chippewa Indian Tribe and other indigenous people.

## **Celebrating Life Pow wow**

Celebrate Native American culture through traditional song and dance at this annual event.

## **Indigenous Peoples' Day**

The second Monday in October is a multi-event celebration of indigenous people of North America.

## **Native American Heritage Month**

The rich ancestry and traditions of Native Americans are showcased throughout November.

# Our town, MOUNT PLEASANT, MICHIGAN

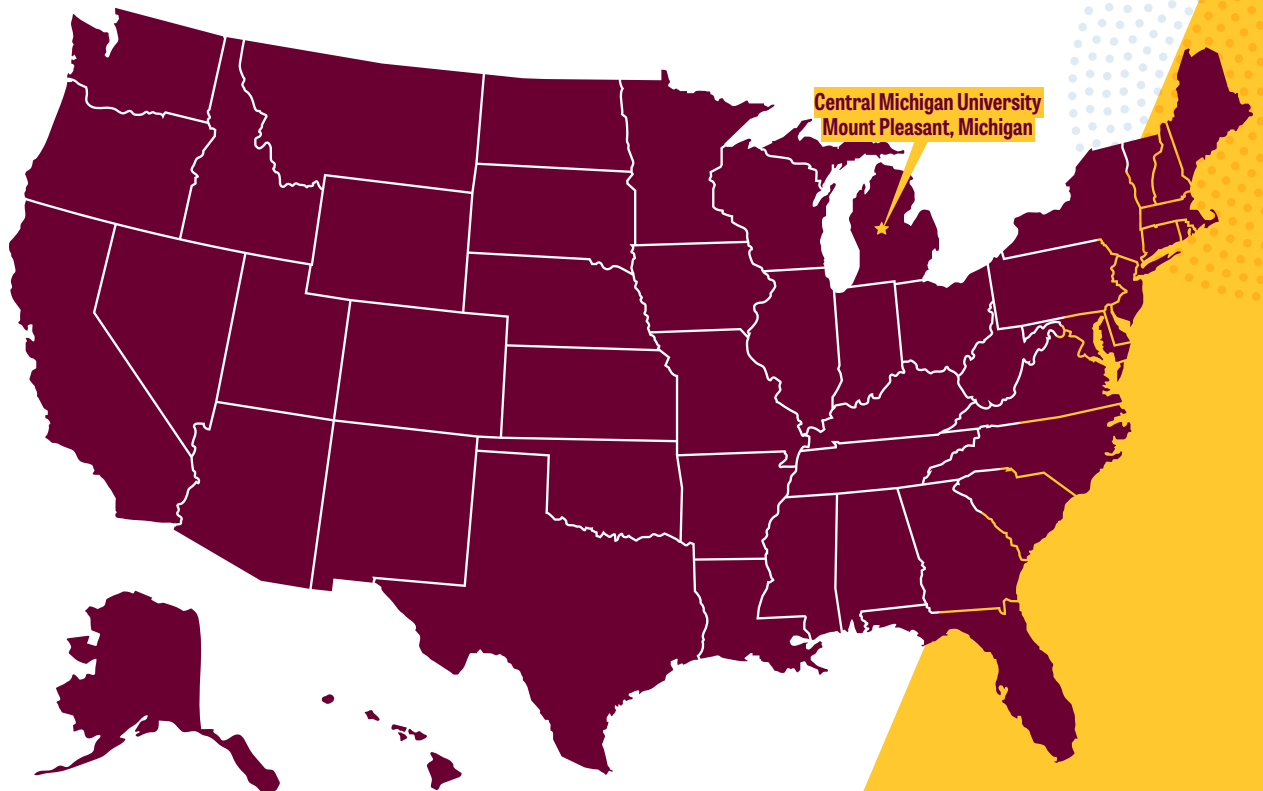

Take a walk downtown and visit the unique shops and local restaurants on Main Street. Or head across Mission Road to shop several well-known, big-box stores. Enjoy a small outdoor concert or find tickets to national headliners performing in town. There's something for everyone in Mount Pleasant.

**80** miles of the Chippewa River to fish, canoe, kayak and tube.

**135** downtown businesses such as shops, galleries, restaurants and cafes.

**1,000** acres of parkland and trails for hiking and biking.

**500+** local events each year.

# What will you do **AT CMU?**

Don't wait for your first job  
to start doing what you love.  
**That starts day one.**

## DIVE RIGHT IN ...

- » **Brandon Chu came to campus and got right to work** auditioning for leading roles in plays like *Hair*. He owned the spotlight during five productions at CMU to prepare for his biggest role yet: Broadway star.
- » **Eman Adel Abdulla wanted to study fashion design, and her research led her to our award-winning program.** Now she's earning her degree in fashion merchandising and design online from her home in Muharraq, Bahrain.
- » **Hanna Clark wants to help people around the world as a foreign service officer.** She's already used social media to raise awareness of disadvantaged senior citizens in Thailand and expanded the outreach of a local grassroots nonprofit.
- » **Sydney Harless researched fairness and justice in entrepreneurial growth in Ecuador.** She presented her findings at a conference in Italy and won the International Journal of Emerging Markets best paper award.
- » **Ethan Launstein's research paper "American Football Uniforms Cause Failures on the Heat Tolerance Test"** won the National Athletic Trainers Association Foundation Athletic Training Student Writing Contest. His findings could save lives.
- » **John Apo is helping pilots learn to fly.** He's writing code for our flight simulators that choreographs the climbs, turns, dives, landings and barrel rolls that train pilots and give you a safe flight every time.

## » THE CMU STUDENT BODY

**32.3%**

of our student body includes ethnic minorities and international students

**GRADUATE  
4,351**

**UNDERGRADUATE  
10,060**

**INTERNATIONAL STUDENTS  
1,734**

Our students come from  
**70 countries**

## » GRADS ON FIRE

Take your experience here,  
and turn it into your career.

### **Cassidy Cobb, '17, USA**

Marketing and Communications Specialist  
Ferris State University  
Big Rapids, Michigan

### **Markus Lonnquist, '97, Finland**

Chief Information Officer, Bagel Brands  
Denver, Colorado

### **Julia Reynolds, '19, USA**

Design Release Engineer, Stellantis  
Detroit, Michigan

### **Zachary Stoner, '16, USA**

Fashion Designer, W.R.K NY Men's Sportswear  
New York, New York

### **Crina Tarasi, '02, Romania**

Associate Professor of Marketing  
Central Michigan University  
Mount Pleasant, Michigan

### **Jian (Jim) Zhang, Ph.D., '98, China**

Chief Chemist, Plant Industry Division  
Nevada Department of Agriculture

# We do learning in ACTION

## » WE WALK THE TALK

Sure, we do theory. But what makes us different is putting that theory into practice. Each of our approximately 200 undergraduate programs is packed with opportunities to put what you learn to the test. Refine it. Make it better. And test it again.

**21,000+**  
internship  
opportunities

**227**  
laboratories

**44** art and  
performance  
spaces

## » WE PRACTICE WHAT WE TEACH

Our professors are more than teachers. They're industry pros. Our classes are intentionally small and mostly taught by our full-time professors. We have Ph.D.s teaching some intro courses. Why? Because our focus is on you from day one.

**17:1** student/faculty ratio

**93%** of our classes have  
fewer than 40 students

## » WE RISE TO THE TOP

It's about more than having a foot in the door. Our graduates step into careers with experience, an unmatched drive and confidence. Knowing when a problem needs to be solved, it's a CMU Chippewa who'll figure it out. It's no wonder why employers list us most often as one of the top schools in Michigan whose students best fit their needs.

**93.7%** graduates are in a career  
related to their major or pursuing an  
advanced degree within six months

**Find your program.  
Make it yours. Be the pro.**

## TEACHER EDUCATION

To obtain the Michigan Provisional Teaching Certificate, you must complete the Bachelor of Science in Education degree in the desired level and appropriate content area(s). Several teacher education programs are interdisciplinary and offered in coordination with other academic colleges based on content area(s).

### Elementary Education

- Teaching Early Childhood, B-K & Early Childhood Special Education ●■
- Teaching Early Childhood, B-3 & Early Childhood Special Education ●■
- Teaching Grades PK-3 ●■
- Teaching Grades 3-6 ●■
- Teaching Grades PK-6 ●■

### Secondary Education

- Social Studies Major: Political Science Concentration Grades 6-12 ●■
- Special Education K-12 Major: Teachers of Students with Cognitive Impairment ●■
- Special Education K-12 Major: Teachers of Students with Emotional Impairment ●■
- Teaching English Language Arts Grades 5-12 Major ●■
- Teaching Health and Physical Education Grades K-12 Major ●■
- Teaching Mathematics Grades 5-12 Major ●■
- Teaching Social Studies Grades 5-12 Major ●■
- Teaching English Language Arts Grades 5-9 Minor ●■
- Teaching English Language 7-12 Minor ●■
- Teaching English Learners Minor ●■
- Teaching Mathematics Grades 5-9 Minor ●■
- Teaching Mathematics Grades 7-12 Minor ●■
- Teaching Social Studies Grades 5-9 Minor ●■
- Teaching Social Studies Grades 7-12 Minor ●■

## PRE-PROFESSIONAL STUDIES

Pre-professional studies are not majors. They are designed to prepare you for admittance to professional schools for advanced study after graduation. You will work closely with an advisor to choose the right undergraduate major to complete your pre-professional studies.

- Pre-dentistry ●■
- Pre-law ●■
- Pre-medicine & Osteopathy ●■
- Pre-occupational Therapy ●■
- Pre-optometry ●■
- Pre-pharmacy ●■
- Pre-physical Therapy ●■
- Pre-physician Assistant ●■
- Pre-veterinary Medicine ●■

Programs may be added or deleted at any time.

- College of the Arts & Media
- College of Business Administration
- College of Education & Human Services
- The Herbert H. & Grace A. Dow College of Health Professions
- College of Liberal Arts & Social Sciences
- College of Science & Engineering

- ◆ This major is also offered as a minor
- Offered on main campus
- ◆ Offered at a satellite location
- Hybrid of online and at a satellite location

\*Athletic Training is offered only as an accelerated degree program. Completion earns both bachelor's and master's degrees in five years.

## Still deciding?

That's OK. While it's important to stay on track and graduate on time, you don't have to choose a major until you've completed 56 credits. We're here to help you explore and discover.

### » First Year Experience (FYE 101)

In this intro to college, you'll learn the importance of a liberal arts foundation, what to expect in college classes, how to take advantage of resources, and how to build your own community here at CMU.

### » Career and Self Exploration (CED 101)

This is as close as you'll get to taking a course that's all about you. Academic, career and personality tests will help you discover career paths that match your personality and goals.

[cmich.edu/program-finder](https://cmich.edu/program-finder)

**KELLY-SHORTS STADIUM »**

Come here for the best game-day experience in the MAC.

**STUDENT ACTIVITY CENTER »**

Get fit with pools, tracks, courts, weight rooms and pretty much everything else you can think of.

**JOHN G. KULHAVI EVENTS CENTER »**

Champions and headliners take center stage in one rowdy arena.

**EAST RESIDENTIAL COMMUNITY »**

Home of new halls, seasoned halls and seven restaurants in one, including a Mongolian grill.

**BIOSCIENCES BUILDING »**

Put your theories to the test in this environmentally friendly building.

**ENGINEERING AND TECHNOLOGY BUILDING »**

Inside these labs, students are working on innovations that will change the future.

**BUSH THEATRE »**

Musicals, dramas, comedies from established masters and homegrown newcomers grace this stage.

**MOORE HALL »**

Where journalists and broadcasters tell stories, break news and win all kinds of awards.

**HEALTH PROFESSIONS COMPLEX »**

Developing treatments, promoting healthy communities, building winning teams, healing, training and learning are all hallmarks of our health professions programs.

# We do SMALL IN A BIG WAY

You'll quickly get to know our big, little campus. On one end you'll find the 175,000-square-foot Student Activity Center. On the other you'll find hammocks strung between trees near Warriner Hall. The best part? It's only a 15-minute walk in between.

 [cmich.edu/visit](http://cmich.edu/visit)

### **SOUTH RESIDENTIAL COMMUNITY**

Four res halls sandwiching a residential restaurant with a build-your-own sandwich shop.

### **EDUCATION AND HUMAN SERVICES BUILDING**

Your teachers probably learned here.

### **TOWERS RESIDENTIAL COMMUNITY**

Our largest community that takes its name from its stature. Oh, and fill up at The Eatery, a residential restaurant with too many food options to count.

### **PARK LIBRARY**

Your real-life search engine... without the pop-ups.

### **ANSPACH HALL**

Home of the College of Liberal Arts and Social Sciences where critical thinkers tackle the big questions and find bigger answers.

### **BOVEE UNIVERSITY CENTER**

Grab a bite, get some Starbucks, buy your books and CMU swag. We'll C U at the UC.

### **UNIVERSITY ART GALLERY**

Home of student, faculty and guest art exhibits. Also the main stop during the annual Art Walk Central.

### **UNIVERSITY SEAL**

Inscribed with the Latin words for wisdom, virtue and friendship, the seal reflects our longest-held values. It also serves as a selfie station for graduates, who may get photobombed by President Davies.

### **RONAN HALL**

Home of the Office of Global Engagement and many other student support services.

### **WARRINER HALL**

Built on the site of our very first building, it's home to administration. It's also the spot you're most likely to get a high-five from President Davies.

### **GRAWN HALL**

Home to aspiring entrepreneurs and business and accounting majors, students get real-world experience from day one.

### **GRADUATE HOUSING**

A great place to live while you earn an advanced degree.

# We do MOMENTS AND MEMORIES

Living on campus is about more than a place to rest your head. It's about connection. It's where friends from college become friends for life. Where fleeting moments become lasting memories. Where finding help becomes a trip down the hall. Oh, yeah, and great food that **you don't have to make!**

## » WE CATER TO ALL EATING STYLES

We work to accommodate all food allergies and dietary needs and pride ourselves on providing the food that fits your life. We'll even meet with you for a personal menu consultation.

## » MEAL PLANS

We offer a variety of food plans from the minimal to the unlimited. In addition to meal swipes into residential restaurants, you can get FLEX dollars for spending at all dining locations on campus, including name-brand venues. You can purchase add-on FLEX dollars any time.

## » FEED YOURSELF AND OUR PLANET

Our Zero Waste program composts food waste and repurposes it for soil on campus.

We serve many Michigan-made products including produce grown at local farms.

We've seen a 33% reduction in waste by eliminating trays across campus.

**3** restaurants in residence halls

**2** food markets

**1** Indian restaurant

**3** coffee shops

[cmich.edu/student-life/housing](https://cmich.edu/student-life/housing)

» 2-person standard

» 2-person premium\*

» 4-person standard

» 4-person premium\*

» 9 LIVING LEARNING COMMUNITIES

Live, learn and grow alongside classmates with similar goals, interests and programs in our Living Learning Communities.

- » Honors Program Residential Community
- » Leader Advancement Scholars
- » Multicultural Advancement and Cofer Scholarship (MAC Scholar) Residential College
- » Business Residential College
- » Education and Human Services Residential College
- » Health Professions Residential College
- » Public Service Residential College
- » School of Music Residential College
- » Science and Engineering Residential College

Each residential community has:

CARE ADVOCATES

RESIDENTIAL RESTAURANT(S)

FREE LAUNDRY

Students visit Ponder Coffee in Park Library.

# We do **AFFORDABLE**

An undergraduate degree from CMU is an outstanding value. To make sure you have every opportunity to earn yours, we keep our tuition low. In fact, we consistently have one of the lowest undergraduate tuition rates among Michigan's 15 public institutions.

## » **SCHOLARSHIPS**

We offer scholarships based on your success in the classroom and in the community, and for your dedication to diversity, inclusion and the betterment of society.

**\$55+** million  
in scholarships  
awarded annually.

2023-24

» **UNDERGRADUATE INTERNATIONAL SCHOLARSHIPS**

We want you to be able to experience all we have to offer. That's why we make scholarships easy. When you apply to CMU as an undergraduate student, you're automatically considered for the following awards. **No extra form. No essay.**

**International President's Award** – Receive the resident (U.S.) tuition rate and save nearly 50% (\$8,808 per year if lower level or \$9,048 per year if upper level).

- » Overall GPA of 3.3 or higher on the U.S. 4.0 scale.

**International Scholar Award** – Receive \$4,000 per year for 4 years, 3 years for transfer students.

- » Overall GPA of 3.0 to 3.29 on the U.S. 4.0 scale.

**International Opportunity Award** – Receive \$1,000 per year for 4 years, 3 years for transfer students.

- » Overall GPA of 2.8 to 2.99 on the U.S. 4.0 scale.

These awards require proof of English proficiency. If you're a transfer student, you'll need to have completed 24 college credit hours. You'll receive only the largest award you qualify for.

» **ADDITIONAL AWARDS FOR TRANSFER STUDENTS**

**Phi Theta Kappa Award for Transfer Students** – Receive \$1,000 per year for 3 years.

- » For Phi Theta Kappa members with a 3.5 cumulative GPA and a minimum of 12 university credits.
- » Can be earned in addition to the President's, Scholar or Opportunity Award as well as the Residence Life Grant.

Scholarship details: [cmich.edu/admissions-aid/international-students/scholarships/international-scholarships](http://cmich.edu/admissions-aid/international-students/scholarships/international-scholarships)

**Approximately 85%**  
of our students receive some  
form of financial assistance.

» **Competitive scholarships  
for freshmen**

You could earn up to **100% of tuition and room and board** with our competitive scholarship awards. These require a separate application and are awarded to the very top performing students based on competition results.

2023-24

» **COST OF ATTENDANCE IN USD**

Direct Costs	Per Year
<b>Lower Level (less than 56 credits)</b>	
International Student tuition .....	\$19,800
<b>Upper Level (more than 56 credits)</b>	
International Student tuition .....	\$21,000
Student Service Fee .....	\$450
Food & Housing .....	\$12,150
(living on campus)	
Health Insurance .....	\$1,550

Indirect Costs	
Miscellaneous Expenses .....	\$3,500
(Include books, supplies, incidentals, holiday living expenses, etc.)	

Total estimated annual cost	
Lower Level .....	\$37,450
Upper Level .....	\$38,650

\*\*This figure is for incoming undergraduate students in the 2023-24 academic year, based on 12 credits per semester; standard residence hall; All-Access/300 FLEX meal plan; and an average cost for books, supplies, travel and miscellaneous expenses determined by a student sampling. Rates may change.

# Are you ready to GET STARTED?

## » APPLICATION CHECKLIST

- » Complete your application for admission at [fireup.cmich.edu/apply](https://fireup.cmich.edu/apply) or on the Common Application.
- » Submit your application fee (\$55 USD).
- » Send in your official transcripts. Your school can email these to us at [ISR@cmich.edu](mailto:ISR@cmich.edu) or mail them to:

Central Michigan University  
Attn: International Applications Processing  
802 Industrial Drive  
Global North  
Mount Pleasant, MI 48858 USA

## » ENGLISH PROFICIENCY TEST SCORES

We accept several different English proficiency scores. The most common tests and minimum scores needed for regular admission:

- » TOEFL - 79
- » IELTS - 6.5
- » Duolingo - 100
- » PTE - 53

## » AFTER YOU ARE ADMITTED

### Set up your CMU account

After you're admitted, set up your CMU Global ID and password at [myaccount.cmich.edu/newaccount](https://myaccount.cmich.edu/newaccount). You'll be able to access your student account, email and the I-20 request portal all with your Global ID.

### Request your I-20

After you're admitted, our Office of International Recruitment will contact you and help you through every step of this process; from getting you access to the I-20 portal to providing detailed instructions and reminding you what documentation is required.

As part of the I-20 process, you'll also need to submit proof of funding for one academic year.

### Preparing to arrive

After receiving your I-20, our Office of Global Engagement will connect with you and provide details on the visa process, arriving to campus, orientation, housing and more.

**We look forward to  
welcoming you  
to campus!**
