Application Process

1. Visit montclair.edu/apply and create an account
2. Complete and submit your application and application fee
3. Upload required documents (varies by program)
 - Transcripts from any U.S. college or university attended
 - Course-by-course transcript evaluation and degree equivalency from a member of naces.org or by educatedchoices.com (required for any non-U.S. credentials).
 - English proficiency exam*
 - Standardized test scores: GRE or GMAT (if required by major)
 - Personal statement/essay
 - Letters of recommendation
 - Resume

* Applicants who have earned their undergraduate or graduate degree from an institution where English is not the official language of instruction will be required to submit proof of English proficiency. TOEFL (Test of English as a Foreign Language), IELTS (International English Language Testing System) or Duolingo English Test scores are accepted.

For more information on the application process, please visit montclair.edu/graduate/how-to-apply/international-applicants.

Assistantships

The Graduate School offers approximately 200 graduate assistantships for first-time master's and doctoral degree-seeking students who are interested in an opportunity to gain an academic experience that directly complements the degree program curriculum. Assistantships will offer opportunities to work with faculty on research, assist faculty with instructional support, and/or be related to the student's clinical or field work.
